Danny Silk says,

‘To Honour (to love respect, elevate and bless), is tested in disagreement, failure and struggling.’

## A Culture Initiated by Jesus

- It’s our calling.
- We have been blessed by God when we have not deserved it.
- We will inherit blessing.

## A Culture Initiated by Jesus

When we suffer:

- We are blessed in our salvation, and relationship with God.
- We will spend eternity with him.
- We have the blessing of a clear conscience.
- We are not to be afraid of threats.
- We are to focus on Jesus and be filled with his Spirit so that we can face any trials.
- We are to be prepared to explain our faith with gentleness and respect.
